Dear Members,

It is indeed an honour and privilege to assume the charge of Honorary Secretary of our prestigious and historic Bankipore Club on 23rd December 2025. I express my sincere gratitude to all members

for bestowing their trust and support on me.

I am pleased to share that Mr. Sanjay Agarwal has taken over as the Honorary Treasurer, and together, we are committed to strengthening both the administrative and financial framework of the club.

During the past months, we have initiated several steps aimed at enhancing member experience and modernizing club facilities:

We have successfully started a new multi-cuisine canteen, ensuring better quality food and creating healthy competition among existing food services for the benefit of our members.

The gymnasium has been shifted from the basement to the upper main arena, making it more accessible and convenient for all members.

Our courtyard and lawn area have been beautifully illuminated with decorative lighting, creating a vibrant and welcoming ambience. To further enhance the experience, a music system with speakers across the entire area has been installed, making evenings at the club truly relaxing and enjoyable.

To promote cultural engagement, every Saturday prior to Housie, live performances by professional singers are being organised. We are also planning Ghazal Nights, Musical Housie, and other entertainment events for our members.

On the infrastructure front, a dedicated team under the leadership of Mr. Rajnandan Prasad, Director duly supported by Mr. Achalesh Nandan, Mr. Sharad Ranjan, Mr. Alok Sultania, and Mr. Rajesh Sikaria, has been constituted. I am happy to note that the team is working diligently and delivering excellent results. For improved convenience, a new urinal facility near the restaurant has been constructed.

We have also undertaken plans for the front facelift of our historic club, preserving its legacy while giving it a prehistoric outlook.

Adding to our sports infrastructure, the Pickleball Court is under construction, which will be another valuable addition. Sports remain an essential part of club life, and I appreciate the efforts of Mr. Mahesh Agarwal, Director Sports, for his outstanding contribution in sports activities.

On the financial side, Mr. Sanjay Agarwal, Treasurer, is efficiently managing income and expenditure, ably supported by Mr. Prakash Kr. Singh, Director Finance, who is working tirelessly to streamline the financial systems on modern and advanced lines.

I extend my heartfelt thanks to all Directors for their unwavering support in the development of our 160-year-old historic club. The need for continuous development is essential to preserve and enhance our rich legacy.

Last but not the least, I warmly invite all our esteemed members to visit the club, enjoy the upgraded facilities, and consider it their true "second home." Your suggestions and feedback are always welcome. My team and I remain fully committed and available to address any concerns and continuously improve our club.

With warm regards,

Dr. Om Prakash
Honorary Secretary

Treasurer's Message

प्रिय सदस्य गण,

बांकीपुर क्लब के सभी सम्मानित सदस्यों का मैं हृदय से आभार व्यक्त करता हूँ, जिन्होंने मुझ पर विश्वास जताते हुए मुझे निदेशक के रूप में चुना। साथ ही, माननीय सचिव डॉ. ओम प्रकाश एवं सभी निदेशकों का विशेष धन्यवाद, जिन्होंने मुझे कोषाध्यक्ष जैसी महत्वपूर्ण जिम्मेदारी सौंपी। यह दायित्व चुनौती पूर्ण अवश्य है, परंतु मैं इसे पूर्ण पारदर्शिता, समर्पण एवं उत्तरदायित्व के साथ निभाने के लिए संकल्पित हूँ। मुझे यह कहते हुए प्रसन्नता है कि श्री प्रकाश कुमार सिंह (निदेशक, वित्त) के अथक प्रयासों से क्लब की समस्त लेखा प्रणाली को आधुनिक एवं पूर्णतः कंप्यूटरीकृत स्वरूप दिया जा रहा है, जिससे कार्य में पारदर्शिता और दक्षता दोनों में उल्लेखनीय सुधार हो रहा है।

टैक्स संबंधी मुद्दों के समाधान, डिजिटल एवं ऑनलाइन भुगतान सुविधाओं के विस्तार तथा वित्तीय व्यवस्था को सुदृढ़ बनाने की दिशा में निरंतर कार्य प्रगति पर है।

मैं सभी सदस्यों को आश्वस्त करना चाहता हूँ कि उनकी किसी भी वित्तीय समस्या, सुझाव या मार्गदर्शन के लिए मैं सदैव तत्पर एवं उपलब्ध हूँ।

आपका सहयोग और विश्वास ही हमारी सबसे बड़ी शक्ति है।
